

Technology High School

2023 - 2024

OUR HISTORY

"Who dares to teach must never cease to learn."-John Cotton Dana

1913

The structure that now houses Technology High School designed by architect Guilberty and Befelle, was built. Shortly after the construction was completed, the Newark Normal School moved into this newly constructed building on Fourth Avenue and Broadway (originally called Bellview Avenue).

1934

The first graduating class was conferred with Bachelor of Science Degree in Education in the field of kindergarten-primary education, elementary education, fine arts, and industrial arts.

1954

Newark State Teachers' College purchased 120 acres from the Kean family for its new campus.

1958

Newark State Teachers' College held its final convocation in Newark.

1968

The State Department of Education received a grant from the Economic Development Administration to build an addition to the 187 Broadway structure on a share cost basis to house a school called COED.

1974

COED opens. COED fashioned its vocational program after the successful program offered to adults by Manpower Inc., in the academic part of what is now Technology High School. COED offered vocational programs, some of which are still offered today.

1996

Technology High School Opens

2009

U.S. News & World Report lists Technology High School as one of the best High Schools in New Jersey

2023

Technology High School wins the U.S. Department of Education's Blue Ribbon Award

The Graduating Class of 2024,

I want to express my immense pride in all you have accomplished. You have persevered through countless challenges, tackled complex ideas, and nurtured your unique talents and potential. Today, you stand on the precipice of a magnificent new chapter and we are filled with nothing but excitement and optimism for the incredible things you will achieve.

I witnessed your dedication firsthand. The late nights studying, the passionate discussions in class, and the unwavering support you offered your peers are all testaments to the incredible individuals you are. You have learned, grown, and evolved within the walls of Technology High School, and we are honored to have been a part of your journey.

As you embark on this new adventure, remember that the lessons you learned and the bonds you forged here will stay with you forever. Carry the knowledge gained, the friendships established, and the experiences cherished close to your heart. Never stop learning, never stop growing, and never lose sight of the dreams that fueled your journey. Though paths may diverge, Technology High School will always remain your home. We invite you to stay connected, to share your success stories, and to inspire future generations of students. The doors of this school are always open to you, and the support of this community will never waver.

Congratulations, Class of 2024! I am proud of you and wish the best in your future endeavors.

With warmest regards,

Principal Reyes

IN LOVING MEMORY
ASTRID FREMPONG
10/25/2004 - 1/29/2024

When I'm Gone

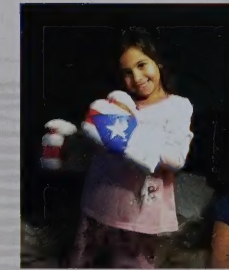

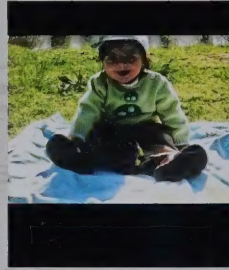

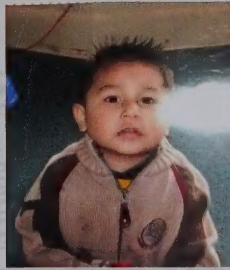

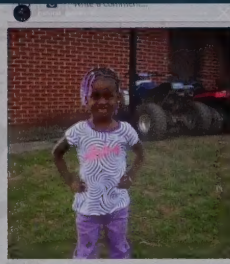

When I come to the end of my journey
And I travel my last weary mile
Just forget if you can, that I ever frowned
And remember only the smile

Forget unkind words I have spoken
Remember some good I have done
Forget that I ever had heartache
And remember I've had loads of fun

Forget that I have ever stumbled and blundered
And sometimes fell by the way
And remember I have fought some hard battles
And won, ere the close of the day

Then forget to grieve for my going
I would not have you sad for a day
But in Summer just gather some flowers
And remember the place where I lay

And come in the shade of evening
When the sun paints the sky in the west
Stand for a few moments beside me
And remember only my best
- Lyman Hancock
